Please also note:

- Seat allotment for any course is subject to availability of seat at the time of allotment.
- For each allotment, we shall send email and SMS to candidates for convenience, but a candidate not receiving any message after an allotment should check the allotment lists / her dashboard in the admission website to rule out any problem with message delivery.
- Candidates need to pay admission fee online within the last date to become eligible for provisional admission. Facility to indicate choice of course and making online payment is available in the applicant's dashboard after login. Admitted candidates can also request for transfer to new course through dashboard.
- Do not make another payment if money has been debited in your account but there has been a connection error.
- College will provisionally admit/transfer the applicant into selected course. After this, provisional enrolment certificate will be available in the applicant dashboard. No message will be sent.
- Request for withdrawal will be accepted at college only after verification. Application in plain paper with copy of enrolment certificate and bank details of candidate will be required.
